Report on Leprosy Awareness Program on 30.102025

On 30th January 2025, the Health Care Center of SVA Government College, Srikalahasti organized a **Leprosy Awareness Program** and invited DPMO, PHC doctors to the college. The event aimed to educate students about leprosy, its symptoms, prevention and the importance of early treatment to eliminate stigma associated with the disease.

The program began with an informative session led by DPMO and PHC doctors, who addressed the students and staff, providing valuable insights on leprosy and public health strategies. Awareness pamphlets were distributed among the participants to further reinforce the message and spread awareness within the community. Following the session, a **rally** was conducted in and around the campus to raise public awareness about leprosy. Students, faculty and health workers actively took part, chanting slogans to promote early diagnosis and treatment. The program witnessed the enthusiastic participation of Dr. Y. Nagraja Naidu, Principal, Vice Principal Dr. K.Narasimha Varma, Health Care Centre In-charge Dr. M. Thulasi, Lecturers, doctors, ANMs, and a large number of students, making it a successful initiative in the fight against leprosy.
