## DISCUSSION

## PAIR WORK

Pair work is when two students are instructed to partner up to complete a task the teacher sets. This reduces the amount of support needed significantly because as long as one student understands what the teacher says they can help their partner to grasp the information. Pair work promotes collaboration and cooperative learning. These are critical skills that students need to compete in the world.

## STORY TELLING

To improve the Communication Skills of the JKC Students, a story telling activity was conducted. Each student has to narrate a story and explain the moral of the story. And the feedback will be given by the students, so that common mistakes will be corrected.

## ROLE PLAY

All the students are formed into pairs/groups. Each pair/group was given roles to play. According to their roles, they performed well. This improves how to communicate and behave in a particular situation.

## Career Awareness on Government Jobs

## JAM

**Just A Minute (JAM):** Students have to speak at least one minute on the given topic. Topics related to Current Affairs, Burning Issues, General Topics were given. While doing this activity it was recorded and showed back to them to evaluate themselves.
